18 January 1967

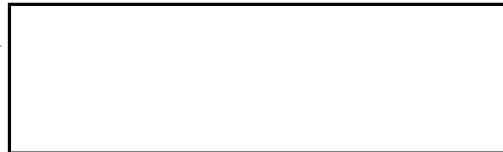

MEMORANDUM FOR: D/DCI/NIPE

SUBJECT: NSAM-156, Recommendation #7 Panel

1. Attached for information is the result of my participation in the subject panel. This report has been reviewed during its preparation by the Director of Reconnaissance and has been modified to meet his desires.

2. Presumably if this report is accepted by D/NRO it will be submitted to USIB at which time changes by any USIB member, including those resulting from formal coordination procedures within CIA, will be considered.
